Appreciation for supporting the AFTLD Secretariat

Greetings from the AFTLD Secretariat.

On behalf of the Executive Committee and members of AFTLD, we would like to thank the Kenya Network Information Centre and the Communications Authority of Kenya for the provision of office space for the AFTLD Secretariat. Our immense gratitude also goes to you for designing and furnishing the office space.

We also appreciate the recurrent support that goes into ensuring that the Secretariat is functional.

The ExCom is committed to ensuring that AFTLD continues to support and collaborate with all its members, in mutually beneficial ways. We look forward to future partnerships and collaboration.

Yours Sincerely
For: AFTLD
